

Christ

Music Ministry in Christ Church's 20-year history has always been a vital part of the worshiping community. From its founding to 2008 Roger Searles led the Chancel Choir, Children's Choir and founded the 3-octave handbell choir, as musicians young and old ministered in worship and via two cantatas and one concert annually.

In Christ Church's 2nd decade Dr. Daniel Steinert founded YouthBells, Lenten and Advent Midweek Music, two "Benevolence" Concerts annually, out-reach performances by the 5-octave Chancel Bells, in addition to two cantatas. Commemorating the 500th anniversary of the Protestant Reformation, the Chancel Choir will perform a third concert: Michael Glasgow's *Requiem* at Carnegie Hall in New York with 200+ singers on June 11, 2017!

Q: How do you get to Carnegie Hall?

Five-hundred years since the Reformation of the church could be summed up by Martin Luther's words: **"Music is the greatest gift from God."**
